## Application Agreement

1. I understand that the adoption counselor's determination and evaluation of the application and home check is final.
2. I understand the Pit bull or dog that I am applying for will require sterilization (neutering or spaying) before it leaves the foster home.
3. I understand there may be several phone calls where a PPBR volunteer may call my home collect to be able to speak to family members or myself (the applicant). These charges are not included in the adoption fee and are my responsibility.
4. I understand that the adoption fee can range from \$150 to \$200 for pit bull type dogs, not including the costs of transportation to my home. The adoption fee depends of the dogs costs incurred during foster care. I understand there may be situations where there are additional costs associated with unusual special needs. The adoption costs will be informed in writing prior to adoption.
5. I understand that by submitting this application I am not committing to any final costs or obligations.
6. I understand that reference checks with my veterinarian, family members or other reference checks are required for my adoption.
7. I understand that PPBR will do periodic vet checks to make sure that the dog I adopted will be taken to the vet regularly, and kept current on vaccinations and that health issues are addressed accordingly.
8. I understand that I will not be submitting the only application for this particular dog and that the most suitable applicant will be chosen for the dog.
9. I understand I must fill out a fully completed application in order for it to be considered. Part of the adoption process includes a home check, phone interview, and personal interview with my family members and the applicant.
10. I understand that due to the number of applicants, applications that are approved may be kept on a waiting list until the appropriate dog comes along that fits my family's needs. If I chose to adopt a dog outside of PPBR knowledge I will inform them of the adoption.

By signing this application, I certify that I am over 18 years of age and that all of the information I have provided is accurate and truthful to the best of my knowledge. I read all of the adoption application agreements and understand PPBR adoption process. I will contact PPBR by e-mail or phone if I have any further questions, comments or concerns.
